

# SMB FINANCIALS FOUNDATION

The #1 Microsoft Dynamics GP  
cloud ERP solution.

SMB  SUITE

# GROW YOUR BUSINESS

## SMB Financials Foundation

SMB Suite is the fastest growing Dynamics GP financial accounting solution in the world. As the only true Microsoft Dynamics GP Cloud ERP subscription solution in the market, SMB Suite takes your business beyond the pain of traditional expensive accounting software and “scope crawling” services, and equips you with an easy, affordable, rapidly implemented cloud financial accounting subscription solution designed specifically for growing small and mid-size businesses.

### What sets our product apart from other financial accounting solutions?

- Low cost of ownership with easy monthly payments and no up front fees
- Automated configuration and rapid set up for growing businesses so you are up and running quickly
- Real time native integration to your CRM, HR & Payroll, ecommerce and Office 365

Use our capabilities chart for an overview of the functions included in SMB Financials Foundation.
